Purification - Illumination - Glorification

FULL MOON DAY NEWSLETTER

BIBLICAL NEW MOON = THE FULL MOON

"Also in the day of your gladness and in your appointed feasts, and on the FIRST DAY OF YOUR MONTHS, you shall blow the trumpets over your burnt offerings, and over the sacrifices of your peace offerings; and they shall be as a reminder of you before your Heavenly Father. I am your Heavenly Father." Numbers 10:10

(English Biblical Translations ERROR - in Hebrew - chôdesh from H2318; means the new moon; by implication a month: - month (-ly), new moon = a beginning of a new month)

THE FEAST OF TRUMPETS

THE ONLY FEAST THAT FALLS ON A NEW MOON!

THE FEAST OF TRUMPETS ALWAYS STARTS AT THE BEGINNING OF THE SEVENTH MONTH OF THE ANCIENT HEBREW CALENDAR. **IT'S ALWAYS MARKED BY A NEW MOON.**

Genesis 1:14 tells us:

"Then the Heavenly Father said, '**Let there be lights** in the expanse of the heavens to separate the day from the night, and let them be for signs and for seasons and for days and years;'"

The moon is one of the lights that mark the seasons.

The Feast of Trumpets marks a new season as it starts the events of the second coming of Yeshua. How gracious is our Heavenly Father? He doesn't just surprise us like a "thief in the night," coming when we don't expect it. No, He's only a "thief in the night" (as referenced in Matthew 24 and 1 Thess. 5) for those who don't know He's coming, for those who aren't watching the signs and the seasons, and for those who aren't on **HIS CALENDAR**.

The Feast of Trumpets is our call to be alert for His coming. This is that season of:

- **PREPARATION**
- **SEPARATION**
- **AND MOBILIZATION OF THE END TIME CHURCH!**

DO GOOD BY GIVING BACK

Helping others is a humbling yet very uplifting experience - It is a biblical assignment for good reason!

*"Let your conduct be without covetousness; be content with such things as you have. For He Himself has said, "I will never leave you nor forsake you." So we may boldly say: "The Heavenly Father is my helper; I will not fear. What can man do to me?" For here we have no continuing city, but we seek the one to come. Therefore by Him let us continually offer the sacrifice of praise to the Heavenly Father, that is, the fruit of our lips, giving thanks to His name. But do not forget **TO DO GOOD AND TO SHARE**, for with such sacrifices the Heavenly Father is well pleased."*

Hebrews 13:5-6, 14-16

SO, IF YOU WANT TO FEEL GOOD, DO GOOD😍!

HERE ARE SOME IDEAS:

1. 🧹Gather some friends and do a beach/park clean-up in your area.
2. 🧸Collect stuffed animals or toys from family members, friends, and neighbours and donate them to an organization that helps children.
3. 📝Be environmentally conscious – use both sides of the paper before throwing it away.
4. 👩‍🍳Offer to cook or clean for the family of someone who has recently given birth.
5. 🐶Adopt a shelter animal.
6. 🚶Take orphans for a day on an outing.

DEWORMING REMINDER:

FIRST IN THE WORLD

IVERMECTIN, MEBENDAZOLE AND FENBENDAZOLE PROTOCOL

in Cancer has been peer-reviewed and published on Sep.19, 2024!

THE FUTURE OF TRUE CANCER TREATMENT STARTS NOW!

After all the negative press Ivermectin and Fenbendazole received during the pandemic, FINALLY the truth has been spoken! Both Ivermectin and Fenbendazole are powerful anti-parasite medications that are cheap and easily accessible. They are also known to be some of the safest medications to take. Did you know that Ivermectin has been on the World Health Organisation's list of Top 100 medications for decades?

Now that they have been officially included in a treatment protocol for cancer, together with Vitamin C, D and Zinc, we will be able to cure cancer without harmful chemotherapy, having to spend hours in hospital or even undergoing surgery!

Use the below link to see the full peer-reviewed protocol document,

DO YOU KNOW?

THERE IS A LINK BETWEEN THE MOON AND MENSTRUAL CYCLES!

WHAT SCIENCE SAYS:

Charles Darwin was one of the first to observe the link between the length of the menstrual cycle and that of the lunar cycle. Since then, numerous studies have attempted to draw a conclusion about whether there's proof of a real connection.

A famous 1986 study, claimed that there was in fact a link. After testing 826 women, the researchers found that 28.3 percent of women began their periods "around the new moon." Another study in 1987 supported this study's findings. A 1977, another study found that women who began their cycle on the new moon had a greater chance of becoming pregnant.

Even more recently, a 2021 study suggests that human menstrual cycles may once have been used with the lunar cycle, **but that artificial light and modern lifestyles have disrupted that link. Making humans out of sync with nature, our Heavenly Father's clock/calendar.**

WHAT ARCHAEOLOGY SAYS:

The Lebombo bone is a bone tool made of a baboon fibula with incised markings discovered in **Border Cave in the Lebombo Mountains, located between South Africa and Eswatini.** According to 24 radiocarbon dating, the bone is between 42,000 and 43,000 years old.

The bone is said to be a tally stick. According to The Universal Book of Mathematics, the Lebombo bone's 29 notches suggest **"it may have been used as a lunar phase counter, in which case African women may have been the first mathematicians because keeping track of menstrual cycles requires a lunar calendar"**.
